

Delaware Electronic Prior Authorization Connectathon

A launch & demonstration day

Monday, July 13, 2026 · 10:00 AM – 5:00 PM ET

University of Delaware — STAR Campus (Audion), 540 South College Avenue, Newark, DE 19713

In person & virtual

TIME	SESSION
9:00–10:00	Coffee & networking — check in and meet the payers, providers, health systems, and partners in the room.
10:00–11:00	Delaware Smart Health Network Launch — welcome and call to participate: Insurance Commissioner Trinidad Navarro · Health Care Commission Chair Dr. Neil Hockstein · DHIN CEO Dr. Jan Lee · Smart Health Network CEO Paul Meyer. Followed by a fireside chat on what prior authorization costs patients and clinicians today — and a first look at the network in action.
11:00–12:00	Smart Health Network — a deeper dive — electronic prior authorization running end-to-end on the network; how it works, the CMS-0057 suite, and the road ahead.
12:00–1:00	Networking lunch
1:00–3:00	Breakouts — business & technical tracks. Business: the opportunity, how to connect, what it takes. Technical: see it work — hands-on and watch-and-learn; no software required to follow along.
3:00–3:45	Report-outs, insights & panel with the Smart Health Network team.
3:45–4:00	Next steps to launch — the road to January 1, 2027, and how to reserve your place.
4:00–5:00	Reception

The morning plenary (10:00–12:00) is also available as a live executive webinar via Zoom; Whoova provides virtual programming throughout the day.

Organized and led by Smart Health Network, with support from DHIN. — Cut Paperwork, Not Care.
